vertisements had poured in that trader's money bags.

Here endeth the first lesson.

Know Thyself.

All the air and the exercise in the universe, and the most liberal table, but poorly suffices to maintain human stamina, if we neglect other co-operativesnamely: obedience to the laws of abstinence and those of ordinary gratification. We rise with a headache, and set about puzzling ourselves to know the cause -We then recollect that we had a hard day's fag, or that we feasted overbounteously, or that we staid up very late; at all events we incline to find out the fault, and then call ourselves fools for falling into it.

Now this is an occurrence happening almost every day; and these are the points that run away with the best portion of our life before we find out what is for good or evil. Let any single individ-There was once upon a time, a man ual review his past life; how instantancwho kept a store, and sold goods at whole- ously the blush will cover his cheek, when he thinks of the egregious errors he has And he became melancholy because his unknowingly committed, because it never occured to him that they were errors until And he said: Lo! I am ruined, and the effects betrayed the cause. All of our sickness and ailments, and a brief life, And my ruin is the more painful to depend upon ourselves. Thousands who the toper his drink, because it throws him Lo! it is better to be ruined quickly, into an exhiliarative and exquisite mood : the gourmand makes his stomach his god-I will give my money away to the poor and the sensulist thinks his delights im-

And the howlings of Rome shall be as State of Connecticut, and was not considered the dulcet sound of dulcimers, and they who blow flutes and instruments of music, Mr. H———, a well known practitioner the Judge stopped playing with the dog,

> To which Mr. H-, while looking particularly serious, immediately replied, I "didn't suppose your honor did."

By Fine aleighing, now a days.
